To whom it may concern,

Fresenius Medical Care- Charing Cross has had the pleasure of using Dimesol Inc. as a supplier of our liquid and dry bicarbonate for our dialysis clinic. Dimesol Inc. has gone above and beyond in providing us with excellent customer service. Dimesol has been able to turn around rush orders for product in less than 24 hours to our clinic. Dimesol's customer service and response times have been outstanding and we could not ask for a more responsive and friendly supplier for our bicarbonate needs. Our facility cannot speak highly enough of Dimesol's understanding and sense of urgency. Our staff can confidently rely on Dimesol to meet and fulfill our needs to make sure our patients receive the medical care they need daily at our clinics.

Charing Cross highly recommends Dimesol Inc. as a solid and reliable supplier of hemodialysis products and services.

Sincerely,
